

Hautle February 2011 HAPPENINGS

The ministry of the Hautle family serving with Child Evangelism Fellowship® in Europe.

May the God who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had, so that with one mind and one voice you may glorify the God and Father of our Lord Jesus Christ.

ROMANS 15:5-6 (NIV)

To the glory of God, we've been receiving a lot of encouragement the last couple of months. We have written often about the *Good News Club*® resource pack project that has occupied the majority of Brent's time the past several months. Ulle Käärik, the leader of *Child Evangelism Fellowship*® in Estonia, sent this encouraging note:

Thank you so much for your wonderful tools for GNC™ ministry. We use successfully GNC resource packs you have created. Many Good News Clubs benefit from it.

Thank you especially for worksheets, which are easy to translate and changes the letters. We have enjoyed very much the Beginnings and Life of Christ 1 sets.

Here is a photo from my GNC in the village. Those kids ENJOY filling in worksheets. We even have competitions—who does most correctly. Girls have special folders for worksheets.

As we write this, the *Life of Christ 2* pack is nearly finished, ready to be sent out for translation. We can only

praise God for His endurance and encouragement given through you, who support us with your finances and prayers.

In early December, Brent traveled to Ireland to help train a new worker in the CEF literature team. It was a very fruitful and productive time. We were especially encouraged during a visit to Revival Movement, a mission organization that prints literally millions of copies of CEF literature a year! While there, Brent was able to see large rolls of *Meet the King!* in Romanian that had just been printed and were waiting to be collated, cut down and stapled together.

December brought more praises, as we had seven children come to our Christmas club. Thank you so much

for lifting us up in prayer! Not only did a child from Holderbank come, but Zara, a girl from a Muslim background who lives several villages away, came and enjoyed it very much. Another unchurched boy came with some children from our church in Balsthal. The Lord also blessed when the restaurant that opened its meeting room for the club refused any money when we went to pay. We're thankful the gospel, which was clearly presented, reached the ears of these children.

Yet another encouragement came when we were able to purchase a vehicle! The Christian dealership we've used for the past six years sold us a 2009 Opel Meriva at cost!

Up and coming

While we've mentioned Brent's name in connection with the GNC resource packs, that will soon be changing. Jen has agreed to come on board and help with the planning and preparations of the packs. She fills a huge need, and we're excited to be once again working together on materials for children!

Preparations are also under way for the second-ever European Multimedia Summit, which, Lord willing, will take place April 4-9 at

Kilchzimmer. Before the Summit Brent will host a day-long training session for those working on layout.

A large prayer need is for Kilchzimmer's finances. Giving for both the workers and the center itself dropped dramatically last year. Will you please pray for this difficult situation?

Around the house

Amy took part in her very first Christmas play, put on by the Holderbank school. She, along with the entire kindergarten class, played the sheep. It was refreshing to see a public school share the true meaning of Christmas.

During Christmas break, Christopher spent most of his time playing with LEGO blocks and drawing on his doodle pad. His favorite food is now snow, as eating it is all he wants to do when outside.

It's amazing to think that 10 years ago this month we arrived at Kilchzimmer for the first time. We praise God for His goodness and thank you for your support of the ministry He charged us with.

Humbly yours, *Brent + Jen*
